Overview

Why Email Advertising?

High engagement with 22% open rates and sponsors routinely receiving between 20 - 100 clicks (per issue!) Email advertising is particularly effective when click-throughs count.

wpMail.me audience is probably your audience also:

- owners of small consulting companies
- WordPress freelancers
- web designers
- plugin and theme developers

In fact, you'll get direct access to over 11000 people, you know, the kind of people most likely to pay for a premium WordPress product.

Stats. We also have some stats (mostly for bragging rights).

Currently, the list keeps 11000 subscribers from all over the world, and the top 5 subscriber locations are: USA, United Kingdom, Netherlands, Canada and France.

Some averages:

- 22% opening rate
- 2500+ total times each newsletter gets opened (think of this as page-views)
- 3.5% - click rate
